

BI.config

BI.config.provider,

```
BI.config("dec.provider.xxx", function (provider) {  
    // provider  
    provider.xxx()  
});
```

:

```
//  
BI.config("dec.provider.management", function (provider) {  
    provider.inject({  
        modules: [  
            {  
                value: "custom_manage",  
                id: "decision-management-custom-manage",  
                text: "",  
                cardType: "my.custom_manage",  
                cls: "setting-font",  
                dev: true  
            }  
        ]  
    });  
});
```

BI.config.options

:

```
BI.config("dec.frame.classic.aside.entry_tree", function (options) {  
    options.type = "your.onw.tre"; // type  
    return options;  
});
```
